Top 8 Nationwide Finalist

Experience

Senior IT Technical Support * University of California, Riverside

April 2019 - Present

Led educational workshops to teach newly hired staff how to maintain and edit departmental websites. Increased overall efficiency of launching websites by 30% in addition to setting up new computers & repairing current devices daily for 25+ staff.

Leadership Development Intern * RippleMatch

January 2020 - March 2020

Grew the user base with 86 sign-ups in 3 months with stellar results as one of the top 5 interns on the nationwide leaderboard for 3 consecutive weeks. Helped students statewide complete a total of 17 applications & 14 introductions with recruiters.

Operations Lead * Rose Hack

April 2019 - February 2020

Organized the only women-centric hackathon in the Inland Empire. Led a committee with weekly meetings to plan day-of logistics using Agile. Increased project submissions by 36% and participant count by 27% through extensive user research.

Projects

Carrier Adobe Creative Suite, InVision
